## WELCOME TO OUR HOUSE

Roundhouse is a bold, versatile venue, ideal for conferences and events of up to 2,200 people.

The large, light flooded main room on the ground floor is ideal for plenary sessions of up to 1,000 delegates, while the eight function spaces on level 1 are perfect for breakout sessions and smaller events.

Our breakout spaces are ultra-flexible. With removable walls, eight can be opened up into four and capacities range from 20 to 270. Outside these rooms is the 360° balcony overlooking the main room.

Networking functions, social events and breaks are a breeze with three dedicated spaces at your disposal. Unibar on the ground floor and Club Bar on level 2 both lead directly onto our leafy Beergarden, connecting you to the outdoors and giving life to your social occasions.

Speak to one of our Event Managers about your event requirements and come 'round for a site-inspection to see how Roundhouse can work for you.

***"We ran the 18th edition of the LDA BALL, our annual event with over 700 attendees, at the Roundhouse and couldn't be happier. The highlight was definitely the staff. From beginning to end, a delight to deal with, very responsive and professional."***
