

## Tickets (Groups)

Candidates may form themselves into Tickets (Groups).

On the ballot paper for positions where there is more than 1 to be elected (e.g. Councillor) Tickets will have a box "Above the Line" (Left of the line in web-based voting systems) enabling voters who wish to support all candidates in a Ticket to vote for the entire ticket by marking one box, rather than voting "Below the Line" (Right of the Line) for each individual candidate.

Tickets do not need to have a candidate for every position.

The following 2 forms are for use by candidates who wish to form and run a Ticket in the election.

- NOTE:**
- (a) If you are an independent candidate who does not wish to be part of a Ticket you do not need these forms at all.
  - (b) These forms are not required for nominating as a candidate.

### Step 1 – Create the Ticket

**Candidates are given 1 working day to register (create) their ticket after nominations close.**

The first form, "Application for Registration of Electoral Ticket Name", creates the Ticket. It requires a minimum of 2 candidates only.

The Ticket must appoint a Contact Person, who will be the principal liaison person between the Ticket and the Returning Officer. The contact person must be a member of Arc but not necessarily a candidate. The contact person must be easily contactable.

It is common for the Contact Person to help arrange completion of the second form.

### Step 2 – Advise who are the members of the Ticket.

**Tickets are given a further 1 working day to finalise recruitment of members. So this form is due 2 working days after nominations close.**

The second form, "Group Membership and Order of Seniority" details all those candidates who have agreed to join the Ticket, and the order of seniority in positions with more than 1 to be elected (eg Councillor) that has been agreed.

---

Each candidate who is a member of the Ticket must sign the form to show their agreement to joining the Ticket and their agreement to their relative seniority in positions where there are more than 1 to be elected.
