

Have you contract cheated?
Are you now being blackmailed?
Money, threats, demands? What's next?

There is a choice.
If you come forward....

What if I don't come forward?

**We will help you
and we will support
you**

But you must also
face your
punishment

The Blackmail will
continue

UNSW might still find
out anyway

We will contact the
blackmailer

We will help plan
your future studies

The Blackmail will
get worse

The punishment
might get worse

We will provide legal advice and we will
contact the Police

Family and friends
might find out

Can you keep this
secret forever?

You may be forever looking over
your shoulder
